Elon's VBS Parade a Big Success

Pictured above are a few of the floats and participants in the VBS Parade in Pamplin on June 17. Each Sunday School class entered a float for the parade. Prizes were awarded for the best three floats. Following the parade a big ice cream party was held in downtown Pamplin. All children registering for VBS at Elon Baptist Church were given a postcard to attach to a helium balloon. Approximately 150 balloons were lofted during the afternoon. Yo-Yolympic® Star?

If gravity pull is a pushover, you may have the world on a string—and want to give the 1979 Yo-Yolympics® a spin.

Are you ready to Walk-the-Dog and Rock-the-Baby right into Yo-Yolympics® fame?

If you're a yo-yo aficionado no older than 15 who can tackle—or learn—lunar loops, astro loops and sleepers (to name a few), your training and competition in the Duncan Yo-Yolympics® begins at one of over 10,000 community centers in 680 cities.

Then winners at state and regional competitions will vie in the National Finals at Great American Amusement Center in Illinois next July. This marks the 50th year of the Duncan Yo-Yo. In conjunction with local recreation departments the Duncan Toys Company is hosting this national yo-yo competition.

In addition to state and regional level awards, the top three finalists at the nationals will win $1,000, $500 and $250 scholarship bonds for first, second and third places, respectively.

Certified instructors will be permanently stationed in nine regions of the country to offer clinics and demonstrations and help run and judge contests.

Don't be a second stringer: ask your local Department of Recreation how you can become a Yo-Yolympic® athlete.

HAVE A GARAGE SALE

If you're short on money and long on household clutter, why not have a garage sale? They're becoming more popular everyday, and spring cleaning season is the perfect time to have one. Here are some suggestions to help make your sale a success:

1. PLAN AHEAD. Check with town officials in advance to find out if a permit is required. Place ads announcing your sale in local newspapers and hang notices on nearby street corners to attract passing drivers. Be sure to include the date, time and place, plus a rain date.

2. MAXIMIZE PROFITS by making your "saleables" sparkle. Many items, such as small appliances and washable furniture, can be cleaned by spraying them with Fantastik® spray cleaner and wiping with a clean cloth or damp sponge.

3. MAKE AN INVENTORY as you set up, use it later as a checklist of what's been sold.

4. PRICE ITEMS CLEARLY.

5. PLACE SALE ITEMS IN ATTRACTIVE GROUPINGS according to their function. For example, put recreational items such as books and games in one area and household equipment like

A SALUTE TO FREEDOM

America is another year older. That's cause for celebration. Since her founding in the 18th century, she has drawn strength from the blend of hard-working, independent-thinking peoples who have reached her shores. They have come from all over the world and labored against formidable obstacles in search of an ideal — equality among men, freedom to act according to their beliefs and a better way of life. All Americans have not reached that goal, but we *are* getting closer. Happy Birthday America!
